At present, in respect of Court orders which do not conform to pension rules, such cases will have to be referred to the concerned Administrative departments of Secretariat and necessary orders have to be issued in relaxation of relevant rules for authorising payment of Family Pension/Death-cum-Retirement Gratuity. All the departmental officers are therefore requested to forward pension proposals to the Accountant General (Accounts & Entitlements) along with relaxation orders obtained from the concerned administrative department of Secretariat in such cases.

Yours faithfully,  
for Secretary to Government.
