ORDER:

According to the orders issued for award of selection Grade to the Teachers on 10 years service basis, the entire period of services rendered by them in the same post under all kinds of managements viz. Government local bodies, Aided Agencies may be counted for reckoning the required period of 10 years of service to grant selection Grade in that post and that while counting the past services under different managements the periods of breaks in service, if any, should be excluded.

2. The Director of School Education has brought to the notice of the Government that certain Chief Educational Officers had not agreed to take in to account the services rendered by school Assistants in various schools prior to their resignation from schools concerned and thus deprived them from the concession of getting selection grade on completion of 10 years of services.

3. The Director of School Education had also stated that the rules obtaining in respect of panchayat Union school Teachers and Municipal School Teachers do not permit the benefit of past services in the case of teachers who resigned from one management school or from a panchayat Union school of Municipal School. He has therefore suggested that the relevant

rules may be suitably modified to avoid discrimination amongst the teachers in this regard. The Director of Rural Development and Inspector of Municipalities have also agreed with the suggestion of the Director of School Education.

4. The Government, have carefully examined the and have decided that the relevant panchayat Union Council Establishment Rules and the relevant Tamilnadu Municipal Educational Service Rules be amended suitably to ensure the past services rendered by teacher prior to his/her resignation from one management school or from a panchayat Union school or from a Municipal School are taken in to account for the period of 10 years of service required for grant of grade. Pending issue of amendment to the panchayat union Establishment Rules and the Tamil Nadu Municipal Rules, the Government Direct that the services rendered by a teacher UNDER all kinds of managements viz, Government panchayat, Municipal, Corporation and aided agencies and also in under the control of Director of Backward Classes and of Harijan and Tribal Welfare prior to his/her resignation termination, transfer or migration should be counted for the required period of 10 years of service for the purpose granting selection grade in that post excluding the period of breaks if any.

Orders amending the Tamilnadu Panchayat Union Establishment Rules and the Tamil Nadu Municipal Education Service Rules and also rules relating to Madras and Madurai corporations to this extent will be issued separately by Government in Rural Development and Local Administration
