**ORDER:**

In modification of the instructions issued in the letters first and second cited, the Government direct that the instructions issued in paragraph 2 II(iv) to (vi) of G.O. Ms. No. 368, Personnel and Administrative Reforms (Per-S) Department, dated 18-10-93 as amended from time to time shall be followed for the movement of persons to Selection Grade or Special Grade.

2. The cases of persons undergoing the punishment of stoppage of increment with or without cumulative effect or of reduction to lower stage in the time scale should also be considered for movement to Selection Grade or Special Grade based on the instructions issued in the reference third read above and if any one is considered fit for movement to Selection Grade or Special Grade, monetary value equivalent to the increments withheld for the unexpired period, or monetary value equivalent to the amount representing the difference between the normal stage and the reduced stage for the unexpired period, as the case may be, shall be recovered. However, in the case of persons undergoing the punishment of reduction to a lower rank in the seniority list, they can be considered for movement to Selection Grade or Special Grade only from the date on which the punishment has been completed or the immediate junior with reference to the lower rank moves to the Selection Grade or Social Grade, whichever is earlier.
